

Owner's/Manager's Quote:
"Our customer's love our large selection of draft beer, and InteliTap ensures that they get a good, cold, quality draft every pour. That keeps them coming back time and time again."

- Jose Hevia, Owner

Account Name:

Taco Mac

Location:

Suwanee, Georgia

Description:

Taco Mac's "Buffalo Wings" are the favorite but cold, high quality draft beer has been key to their success. The wall of drafts has grown to offer the biggest selection of micro-brewed beers and imports in the South. People from all over the world could enjoy their hometown brew while watching their hometown sports team at Taco Mac. It is a favorite spot for customers to share an evening of food, friends and family. InteliTap is implemented in one of twenty-three Taco Mac locations. The Suwanee location has fifty taps.

InteliTap Benefits for this location:

- Quality Customer Experience
- Complete Draft Beer Flow Monitoring
- Line Cleaning Efficiencies
- Keg Inventory Management
